Outgoing Message - WCC Garret Hand

Saying that it has been an incredible year might even be an understatement. Since the inception of the colony, I have been continually impressed by the enthusiasm and interest from the members and officers of our chapter. For everyone it was a "learn as we go" situation as we got guidance from advisors and Fraternity contacts to complete projects. The goal of the officers was to provide a sound beginning to the chapter so that it would have all the resources necessary to continue to grow after we left. Thanks to the dedication of the entire chapter, I believe that we have achieved that and more. Looking at what we have all accomplished over the past year, every

member should feel proud of what our Gamma Theta chapter has become.

It has been an honor serving as the first WCC of this chapter and I feel lucky to have had the chance to start this organization at our new college along with the other officers. There is still plenty of room for bigger and better service projects and fundraisers, and I look forward to seeing what the chapter accomplishes in the years to come. Lastly, don't forget what Brotherhood means to the chapter as it evolves. I can honestly say that I wouldn't have known many other students from the P1 and P2 classes had it not been for Phi Delta Chi.

AAAE,

Garret Hand
Alpha class WCC-Gamma Theta chapter

Incoming Message - WCC Jeremy Watson

Gamma Theta-

This school year marks our first full year as Brothers. To think how far we have come in such a short amount of time is quite remarkable. The upcoming year will allow us to set the standards of membership for our newly formed chapter. This Fall, we will conduct our first official RUSH events and continue to build upon the community service projects we have been active in for some time. I think we have laid a great foundation here at UHH to build upon and look

forward to continuing to shape the legacy of our chapter. Remember Brothers, we get out what we put into this fraternity. I challenge each Brother to take an active role in the coming year to make 2010-2011 the most exciting year in Gamma Theta history! On behalf of all Brothers, we wish the departing P3's the best of luck on their journeys across the islands and throughout the mainland in completing their rotations.
